

3D Printer Workshop 2019 SFB/TRR 225

28. & 29. March in Würzburg

Thursday, 28th March

Room 1: Big lecture hall

9:30 - 10:00h

Opening & introduction
Sandra Balkow & Lothar Grannemann
I&L Biosystems GmbH

10:00 - 11:30

3D bioprinting: applications & bioinks
Patrick Thayer & Jim Engström
CELLINK AB

11:30 - 12:30h

Lunch break

12:30 - 13:15h

Heartware & databases
Jim Engström & Jockum Svanberg
CELLINK AB

Time	Room 1: big lecture hall (1st floor)	Room 2: Small lecture hall (2nd floor)	Room 3: seminar room (1st floor)
13:15h	From 14:00h <i>Hands-On BIOX</i> Installation & Training Group 3	From 14:00h <i>Hands-On CELLINK+</i> Advanced training Group 3	<i>Self-study</i> Heartware training - genera- tion of custom scaffolds Group 1 & Group 3
15:15h	Coffee break	Coffee break	Coffee break
15:35h	<i>Hands-On BIOX</i> Printing of custom scaffolds Group 3	<i>Hands-On CELLINK+</i> Advanced training Group 1	<i>Self-study</i> Heartware training - generati- on of custom scaffolds Group 2
17:30h			<i>Internal discussion</i> <i>(I&L Biosystems and invited guests)</i>
18:00h	End	End	End

Friday, 29th March

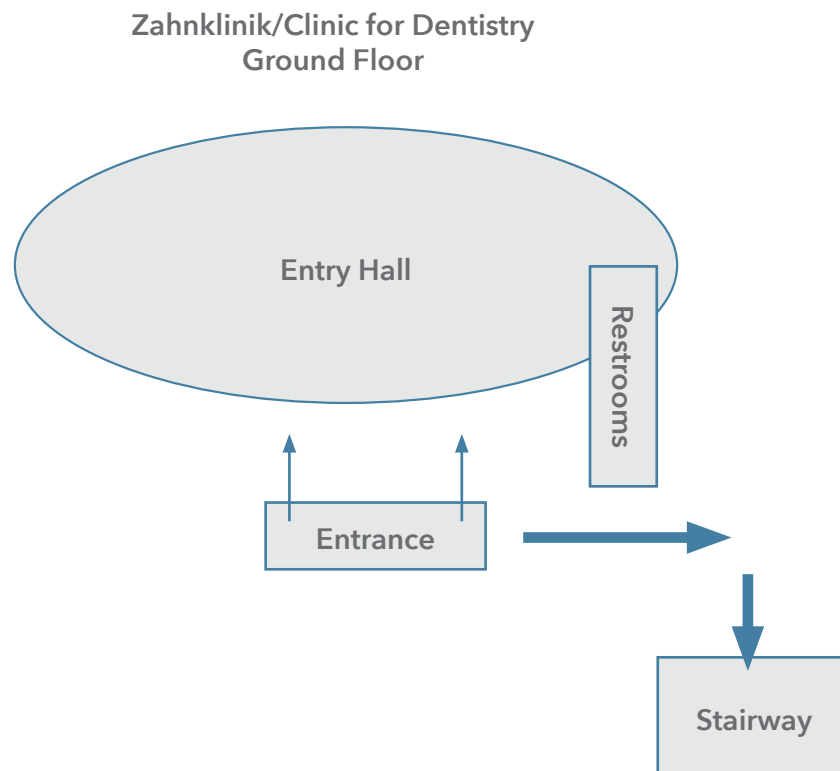

Time	Room 1: big lecture hall (1st floor)	Room 2: Small lecture hall (2nd floor)	Room 3: seminar room (1st floor)
8:15h			<i>Round table with CELLINK AB and I&L Biosystems GmbH</i> Ring experiments – assess- ment of new bioinks & discus- sion Group 3
09:15h	Coffee break	Coffee break	Coffee break
09:35h	<i>Hands-On CELLINK+</i> An introduction to the CELLINK+ bioprinter Group 3	<i>Hands-On BIOX</i> An introduction to the BIOX bioprinter Group 1	<i>Hands-On CELLINK+</i> Printing of custom scaffolds and discussion Group 2
11:15h	Coffee break	Coffee break	Coffee break
11:35h		<i>Hands-On BIOX</i> An introduction to the BIOX bioprinter Group 2	<i>Hands-On CELLINK+</i> Printing of custom scaffolds and discussion Group 1
13:00h	End	End	End

I&L Biosystems GmbH

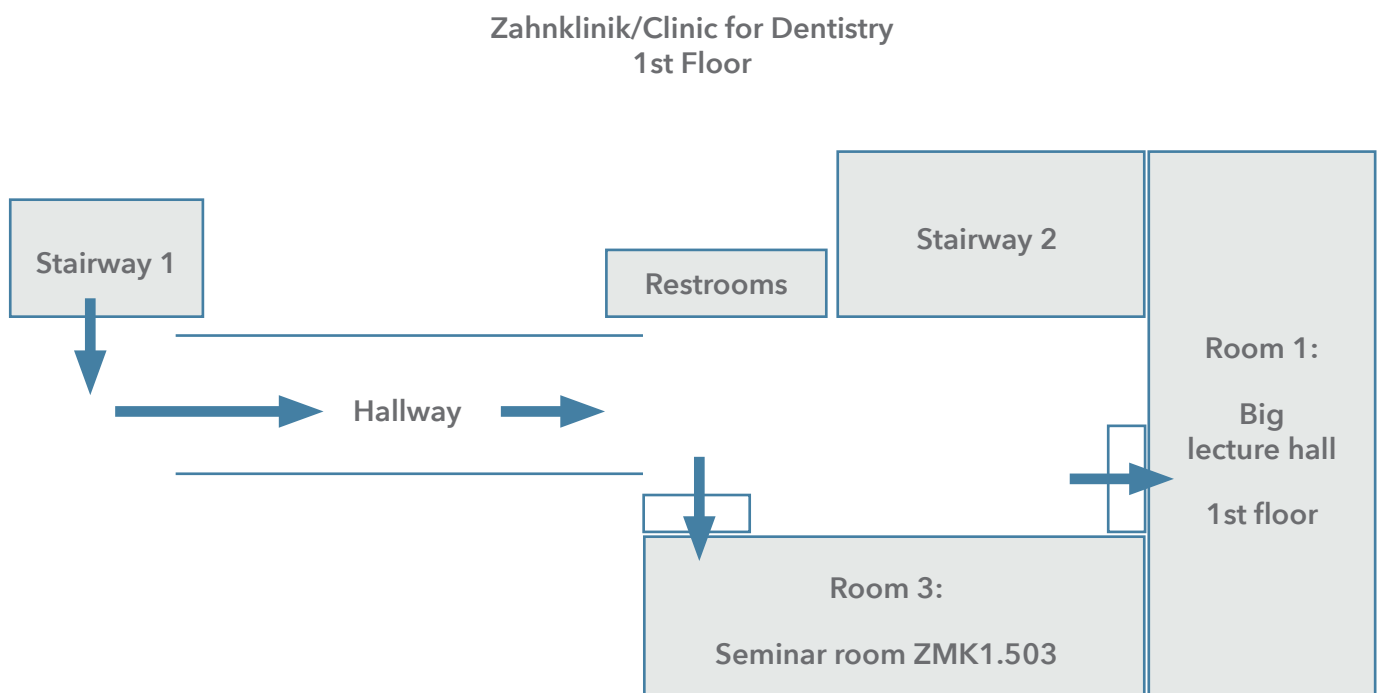

Königswinterer Straße 409 • 53639 Königswinter • Germany

Tel.: +49 2223 9192-0 • Fax: +49 2223 9192-48 • info@il-biosystems.de • www.il-biosystems.com

Entrance through ground floor

First floor: Room 1 (big lecture hall) and room 3 (seminar room)

Second floor: Room 2 (small lecture hall)

Zahnklinik/Clinic for Dentistry
2nd Floor
